--------------	------------------

In Poreč, an attractive location just 1 km from the sea, a spacious building plot of 2,347 m² is for sale.

According to the applicable regulations, it is possible to build a total of up to 1,000 m² of gross floor area, distributed over three levels (ground floor, first floor, and high attic), with the option to construct up to 5 residential units. A combination of residential and commercial use is also possible.

The land offers a beautiful sea view, and a building permit has been issued, allowing for a quick start of construction. The distance to the beach is 1 km, and all necessary amenities are in close proximity.

For more information and to arrange a viewing, please feel free to contact us.
