protection from bugs, while high-quality PVC joinery guarantees excellent sound insulation. The security door adds an extra layer of safety. Moreover, each room is equipped with a TV connection and a satellite antenna. The kitchen is thoughtfully designed and made from high-quality wooden materials, making it an ideal space for culinary delights.

The apartment comes with a 1/5 share of the common garden in front of the building, perfect for relaxation or gardening. It also includes a parking space in front of the building and a storage room in the basement.

The location is extremely attractive, with essential amenities such as shops, cafes, schools, and other conveniences in the pedestrian zone. The proximity to the city and the sea makes this apartment a perfect choice for family living or as an investment opportunity.

This property offers an extraordinary sea view and is being sold furnished with modern furniture and appliances, providing a comfortable living space in an excellent location.
