Price 898.750 €

For sale is a semi-detached villa in a quiet residential area near Poreč, located 8 km from the city and 5 km from the sea. The neighborhood offers shops, restaurants, and other amenities necessary for daily life.

This is a villa under construction, with completion expected by mid-2025. The subject of the sale is half of the semi-detached villa with a total living area of 186.54 m², along with a garden of 624 m². The villa spans two levels.

On the ground floor, there will be an entrance hallway, a toilet, a utility room, a boiler room, an outdoor toilet, a kitchen with a dining area, and a living room with access to a covered terrace. Adjacent to this is a swimming pool measuring 36 m², with provisions for heating. The first floor will feature a hallway and

three bedrooms, each with its own bathroom and access to a spacious terrace. Sea views will be available from both the ground floor and the first floor.

For heating and cooling, a heat pump with underfloor heating and additional fan coils will be installed. The villa will be constructed using high-quality materials, including Wienerberger Profi Ziegel bricks, Hansgrohe sanitary ware, Schüco joinery, a Viessmann heat pump, a Lunos ventilation system, and 10 cm thick Styro-foam EPS facade insulation.
