This modern, newly built semi-detached house is located in a peaceful and green residential area near Poreč. Set on a 450 m² plot, it offers 111.90 m² of living space arranged entirely on one level.

The house features three bedrooms, two bathrooms, and a spacious open-plan living area with a kitchen and dining room. Large glass doors provide plenty of natural light and create a seamless connection between the interior, covered terrace, and garden.

The master bedroom has its own en-suite bathroom, while the second bathroom is located near the entrance hall. The house is sold unfurnished, allowing future owners to design and furnish the interior according to their own taste.

A major highlight of the property is the private swimming pool with a garden and spacious terrace, perfect for relaxing and enjoying outdoor living. The combination of modern architecture, natural stone, and Mediterranean details gives the house a distinctive Istrian character.
